Veterans Day, observed annually on November 11th, is a time to honor and celebrate the brave men and women who have served in the U.S. Armed Forces. Originally known as Armistice Day, it commemorates the end of World War I, which officially ceased on the 11th hour of the 11th day of the 11th month in 1918. In 1938, Congress passed a resolution to make November 11th a national holiday dedicated to honoring all American veterans.
